

BOISE STATE UNIVERSITY PURCHASING PROCESS QUICK REFERENCE

Policy: Orders or commitments by faculty or staff are not binding on the University unless supported by a valid purchase order (PO), an approved contract**, or the authorized use of an institutional procurement card (P-card).

- 1) Idaho Code 67-9225(2): Boise State is required to utilize the State of Idaho open [contracts](#). Contracts cover a wide range of goods and services such as computers, multi-function copier equipment, short-term vehicle rental, lab supplies, IT resources and more.
- 2) All purchases of goods and services will incorporate [Boise State University Standard Terms and Conditions](#). Use of alternative terms (vendor terms, license agreements and/or other vendor documents) must be routed to the [Office of the General Counsel](#) (OGC) for review prior to signature. Allow adequate time for OGC review.
- 3) New software purchases require the approval of [OIT System Architecture Review Board \(SARB\)](#)
- 4) Certificates of Insurance will be required if supplier is working on campus
- 5) Trade-in of a grant-funded asset, must be reviewed by OSP (required by OSP to ensure terms of original grant are satisfied).

**** Purchases using federal funds may require specialized purchasing processes and contract terms. Contact Purchasing to discuss**
